### DO YOU BEHAVE DIFFERENTLY WHEN NO ONE IS LOOKING?

#### Vol. 1.8

Good Monday Morning, Team Farah:

Perhaps you've seen the video that's been circulating recently of NFL draft pick, Malik Willis. Willis was taking a break from the 2022 NFL Combine, and during his walk outside, he was spotted opening his bag and giving some of his Nike promo gear to a pregnant homeless woman and her son on the street corner.

This was not showboating for the coaches...there was no one around to see him do his good deed (except for the guy who shot the video from across the street). This was a simple act of humility and kindness from a kid who is about to become a millionaire NFL quarterback.

The video brought to mind one of the tenets of The Farah Fundamentals: *Always do the right thing—even when no one is looking*. Let's all take a cue from this young man and find our own ways to behave with integrity even when the spotlight isn't on us.

Check out the video and let us know what you think of it. To share your thoughts, send a note to: [COMMIT@farahandfarah.com](mailto:COMMIT@farahandfarah.com), and we'll share the comments on our Employee Portal!

With gratitude for all you do here,

*Eddie E Farah*
