Professional Experience

Copysmith Creative, Kansas City, MO
Owner

1995 – Present

Maintain a loyal list of clients in a wide variety of industry spaces from banking to tourism with expert-level copywriting and storytelling. Work with companies of all sizes from individual entrepreneurs to small businesses to major corporations, including Alliance Bank, First Security Bank, Farah & Farah Law, Teamsters 41, Missouri Department of Tourism, and Blue Cross Blue Shield, among numerous others. Visual and verbal thinker who is skilled at leading and managing creative projects. Excels at collaboration, organization, as well as time and budget accountability.

Key Accomplishments:

- Maintained many loyal client relationships up to 15+ years with one-off clients returning often with new work.
- Managed many large-scale, months-long projects, consistently bringing them in on-time and on-budget.
- Executed numerous “from the ground up” branding projects, shaping a client’s positioning, voice, and messaging, then delivering marketing and advertising materials that align with the newly created brand and brand voice.
- Orchestrated numerous multi-media campaigns, building the necessary creative and management team partners to take the projects to a successful finish that exceeds client expectations.
- Authored numerous SEO-focused websites, articles, blogs, newsletters, press releases, and social posts; responsible for researching subject matter, interviewing contacts, and executing the parameters of the client creative brief into stories that motivate readers to the desired action.
